Vendor Information

Vendors and Incentives

- Who May Vend: There is no application process. There are no restrictions for type-specific vendors. (e.g. If five separate vendors sell pet dragons, that's fine!)
- Cost: There are no additional costs for vendors. Pay to enter and vend to your heart's content!
- Setup Area: Confirm your location with event staff before setting up, to avoid potential move. *See Vendor Location Priority section
- Vendor Incentive: Event staff will provide \$50 cash to each vendor shop in exchange for their agreement to honor a vendor-specific \$50 credit voucher. This guarantees a final Saturday evening sale for each vendor and a chance for attendees to receive a nice discount.
 - Process: Prior to drawings, event staff will meet with each vendor. We will provide each vendor with \$50 in cash in exchange for their promise to exchange their specific voucher for \$50 in store credit on Saturday evening. If multiple smaller vendors share a setup / space, they may choose to divide the credit into smaller separate vouchers.
 - Vendors may work with event staff for additional items and/or discounts they would like to offer.
 - Drawing Timing: The drawings will be Saturday evening 7pm, at the Town Center Stage, after the Feast.
 - Drawings: The first winner will be drawn by a volunteer, and subsequent winners will be drawn by the previous winner.
 - Winning: The winning ticket must be presented to win! If the winning ticket is not presented after a brief pause, a new ticket will be drawn.
 - Voucher Redemption: Vouchers may only be redeemed on the date of the drawing and only with the specific vendor named on the voucher.

Vendor Voucher Tickets and Drawings

- Each attendee will receive one ticket during check-in.
- Pre-registered attendees will receive one additional bonus ticket.
- People may receive an additional ticket for each new first-time Gates of Fire attendee who checks in with them. (Same vehicle, caravan, etc.)
- Additional tickets may be awarded for being helpful and for random acts of awesomeness!
